

II. GOVERNANCE PROCESS

G. INVESTMENT IN GOVERNANCE

The Board will continually invest in its governance capacity.

1. The Board shall provide to new board members an orientation to ensure familiarity with ends-related issues, the organization's structure and issues, and the Board's process of governance.
2. The Board shall provide to candidates for board membership information that clearly outlines the role of the Board, the necessary qualifications and the Board's expectations of board members.
3. The Board shall offer its members, at no cost to them, opportunities for continued training and education to enhance their governance capabilities.
4. The Board will regularly monitor its own performance and take appropriate remedial actions as required.
5. The Board may engage outside assistance to monitor adherence to its policies.
